SUBJECT :- Revision of the Mysore City Municipal Boundary so as to include within it Princess ----- Krishnajammanni Tuberculosis Sanatorium, etc.

Sir,

With reference to your letter No. L.3144-5/11,13-27-21 dated 1.11.1929, I have the honor to state that the limits of the Municipality may be extended as proposed therein.

As regards the transfer of funds, it has to be stated that, Mysore being the capital City, most of the traffic is - local, and only a very small percentage is through traffic, and on such through traffic, the Municipality collects toll. Under these circumstances, the entire burden of maintaining the road in good condition ought to rest with the Municipality, and it - does not appear to be reasonable on the part of the Municipality to expect any road grant to be transferred from this Department.
